

# Welcome to the JAMP Care Patient Support Program

Welcome to JAMP Care! You are connected to a large network of specialists dedicated to helping you along through your treatment journey with Simlandi.

Through JAMP Care, you have access to several resources, including **reimbursement navigation support and financial assistance, educational materials, auto-injection training, and nutrition counseling services**, as well as ongoing support from your JAMP Care Nurse.

You also have access to Auxita, an amazing new patient Mobile First Web App for faster service and communication that allows you to stay on top of your health with:

- Real-time access to all your healthcare information in one place
- Secure access to your PSP team
- Alerts and notifications so you are informed at all times

Our goal is to provide you with support and confidence. We are here to help. We are so happy to welcome you to the JAMP Care community.

Please reach out to our support team at any time, at:  
**[jampcare@supportprogram.com](mailto:jampcare@supportprogram.com)**, or call **1-855-310-5102**.
